

## Tennis Tayside Junior Challenge Matches, Winter 2009-2010

Unfortunately, due to the limited number of 3-court indoor slots available, it has not been possible to fit in all the requested challenge matches indoors. Clubs may want to arrange other matches at their own courts.

- U12 entries have been merged into a single Division 1 / 2 and use a 2-court format. Clubs should discuss in advance in order to field fair teams.
- U16 Div 1, U14 Superleague, and U14 Div 2 challenges have not been scheduled indoors. Clubs should arrange to play those matches at their own courts. See club contact list.
