Tennis Tayside Website www.tennistayside.org

Our web site is full of useful information about Clubs, the Leagues and what is going on across Tennis Tayside's area. Local Tournaments will also be advertised with links to the LTA site for online entries.

Please continue to let us know of any details you wish to publicise about your club or events in your area.

Social Media

Tennis Tayside also has a presence on Facebook and Twitter and it would be great if members could post stories and pictures from their matches to share on these platforms. The board will be doing the same and it would be really good to get an idea after the match nights of what was happening and where.

## Changes from 2017 Handbook

### New 4 Set Format:

With the trial this year of the 6 set format changing to a 4 set one for the Summer Open Leagues, ie the Mens, Ladies and Henderson Vase competitions, there are a number of amendments to the Rules.

There are two main changes. Firstly format; now a ranked pair will play two sets against their opposite number and one set against each of the other pairs. It is therefore important that captains are consistent across their matches in the selection of couples by ability and the League Secretaries may require to confirm this by asking clubs for their teams' selection criteria.

Secondly points; each single set rubber is worth 2 set points, with each set in the two sets rubber being worth 1 set point. (Note that the term 'Event' has been dropped, replaced by 'Rubber'.) Matches are still being contested over 18 set points.

There will no longer be the option of stopping after two rounds as there are now only four sets for each couple in a match and they should all be played. (See Rule 12 for effect of agreed finish or lights' curfew finish.)

A new draw has been set up and will be reflected in the 2018 adult score sheet, available on the TT website. It is as follows:

- A (two sets): 1 v 1, 2 v 2, 3 v 3
- B (one set): 3 v 2, 1 v 3, 2 v 1
- C (one set): 2 v 3, 3 v 1, 1 v 2

However, when a team can only take two couples to a 6 Player match the following applies:- The Draw is the same as usual in terms of the order of the match with the absent 3rd couple meaning that there is always one of the opposition's couples sitting off. A total of eight sets would be played with the 3 couple team getting all the set points they won, plus the 6 that the 2 couple team could not contest. The 2 couple team would only get the set points that they won. Scoring the sets is as per the new Rules above.

If for any reason **both** teams cannot field the full three couples and therefore have two couples each they should play two sets against each couple and score one rubber point for each set won.

Results Returns Following problems over the last few years the League Secretaries will be enforcing Rule 19 for the returning of the score sheets.

# Senior League Rules

Following the acceptance of the proposal to have a one year trial of the four set format some of the Rules have had to be altered, these alterations are underlined, other alterations relating to clarifying the Rules are in italics and underlined.

The 6 and 4 Player Doubles Leagues, and the Singles League, are separate and distinct competitions from each other but do share a large number of common Rules. Differences are highlighted in italics.

1. The Leagues are open to all Clubs who are members of Tennis Tayside.
2. Players eligible to represent a Club in the League Competitions must be a fully paid up member of such Club as defined in their rules. Players may only play for one Club in a season in one competition. However, players may play for different Clubs in different competitions, provided that they are fully paid up members of these Clubs. It is permissible for players to play in both their club's 6 Player and 4 Player teams in the same season.
3. The Clubs competing in each division will be determined annually by Tennis Tayside, under predetermined conditions. League Secretaries will at the same time decide on all details of the competition, ie start date, size and number of divisions, Rule changes, etc..
4. For the purposes of determining the Leagues to be held and their participants, the Clubs entering will be put, as far as possible, into equal divisions. On the completion of the season's Leagues generally the top two teams in the division will be promoted and the bottom two teams relegated, (this may be varied depending on the numbers in each division as in the Henderson Vase where the three top teams are promoted, and the three bottom ones relegated).
5. All matches will be played under the 'Rules of the Lawn Tennis Association' and the 'Regulations for the Management of the Lawn Tennis Tournaments' as adopted by Tennis Scotland. The Scottish Cup Rules are as laid down in the Tennis Scotland Handbook.

## Teams

6. Each competing team will have a nominated Captain who will be responsible for the regulations of play during a match. Any disputes arising will be settled in the first place by the team Captains. In the event

of an unresolved dispute, the League Secretary should be consulted, whose decision will be final.

7. Each competing team will usually consist of six, *or four*, players who will be arranged into pairs, *or singles order*.

Doubles: each ranked pair will play a two sets rubber against their opposite number and a one set rubber against each of the other pairs.

*Singles: order firstly based on LTA rating but the order can be based on ability (by respective captains) if the ratings do not accurately represent the playing order. The order may change from match to match. In the Singles League a team consists of 4 to 6 players, 4 players play one singles rubber each, and a 5<sup>th</sup> and/or 6<sup>th</sup> player may be selected for one doubles rubber only.*

8. Clubs must play their best three, *or two*, available couples, or *best individuals for the Singles League*, in their first team, their next best in their second team, etc.. If teams do not comply, it may result in the offending team/s losing the sets affected by the non-compliance, and the sets being awarded to the opposition. (The spirit of this rule means that if a club team in a higher league has a match cancelled, or is not playing on a normally scheduled night, the members of that team do not play instead of the normal members of the lower team.)
9. Complaints regarding the composition of teams must be made in writing or via email to the League Secretary within 72 hours of the event.
10. Draw: format as follows:
  - a) In the 6 Player League two sets are played against the opposite number and one set against each of the other two, according to the draw. (12 sets in total)
  - b) In the 4 Player League each pair will play two sets against each pair of the opposing team. (8 sets in total)
  - c) *In the Singles League the doubles pairing will be 1+2 at Doubles 1, 3+4 at Doubles 2. Substitutes should follow that pattern; ie the better rated substitute replaces the higher ranked singles player.*

Each set will be a tie-breaking set with the tie-break operating if the

score reaches six all.

11. **Draws:** For the 6 Player Doubles a fixed sequence of play will operate with the draw at the beginning merely deciding in which order the sequence will be played. The new sequence is as follows:

|         | 3 Court Club |     |     | 2 Court Club |     |     |     |     |     |
|---------|--------------|-----|-----|--------------|-----|-----|-----|-----|-----|
|         | A**          | B*  | C*  | A            |     | B   |     | C   |     |
| Court 1 | 1v1          | 3v2 | 2v3 | 1v1          | 1v1 | 2v2 | 2v2 | 3v3 | 3v3 |
| Court 2 | 2v2          | 1v3 | 3v1 | 3v2          | 2v3 | 1v3 | 3v1 | 2v1 | 1v2 |
| Court 3 | 3v3          | 2v1 | 1v2 |              |     |     |     |     |     |

\*\* 2 sets

\* 1 set

However, when a team can only take two couples to a 6 Player match the following applies:- The Draw is the same as usual in terms of the order of the match with the absent 3rd couple meaning that there is always one of the opposition's couples sitting off. A total of eight sets would be played with the 3 couple team getting all the set points they won, plus the 6 that the 2 couple team could not contest. The 2 couple team would only get the set points that they won. Scoring the sets is as per the new Rules below.

If for any reason **both** teams cannot field the full three couples and therefore have two couples each they should play two sets against each couple and score one rubber point for each set won.

4 Player Draw: a) Each pair will play two sets against each pair of the opposing team, (8 sets in total). In the first round pair one will play pair two and vice-versa.  
 b) In round two, pair one will play pair one and pair two play pair two.

Each set will be a tie-breaking set with the tie-break operating if the score reaches six all. If the overall match is tied after two rounds, then the result will be decided by a match tie break (10 points) played between one pair nominated by each captain.

**Singles:** The match consists of 4 singles and 2 doubles rubbers. A fixed sequence of play will operate with the draw at the beginning merely deciding in which order the sequence will be played. The sequence is as follows;

|         | 2 courts |     | 3 courts |     |     | 4 courts |     |     |     |
|---------|----------|-----|----------|-----|-----|----------|-----|-----|-----|
| Round A | S 1      | S 3 | S 1      | S 2 | D 2 | S 1      | S 2 | S 3 | S 4 |
| Round B | S 2      | S 4 | S 3      | S 4 | D 1 | D 1      | D 2 |     |     |
| Round 3 | D 1      | D 2 |          |     |     |          |     |     |     |

*S = Singles      D = Doubles*

*On 2 courts draw for the order of Round A and Round B with the doubles in Round 3.*

*On 3 courts draw for the order of Round A and Round B.*

*On 4 courts no draw is needed - play Round A followed by Round B.*

*Deviation from the above sequence is allowed by agreement of both captains but please be very aware of any time restrictions when making these decisions. Please note when playing a 4 court club the home team can elect to play it as a 3 court match if they wish.*

### **Timings:**

12. **Before** the draw **the travelling** Captain may request a finishing time for the match. This request must be granted. Equally, if **BOTH** Captains agree, an early finish may be agreed. The following rules apply:

- a) The earliest finish time is 9.30pm, *or 9pm in the Singles League*, light permitting.

**All rounds must be completed. (If this is not done within the time limit or curfew then both captains may agree to continue play, either on the match night or on a continuation night, until the rounds are completed, or teams may agree to void the remaining games.). 4 matches must be completed in Singles League**

- b) Whilst only completed sets will be counted towards the match score, all games played should be entered on the score sheet as they will be included in any countback should there be a draw in points and sets at the end of the season.

- c) Since an agreed or curfew finish time is arbitrary in terms of the number of games won or lost it is only fair that at least the game that is being played is finished at the time limit, or the set, if both captains agree.

### **Single Point Deuce Option:**

All teams can continue to use the single point deuce option as the normal way of finishing a game that goes to deuce if they wish. However, the double point deuce can be played out if one or both teams are not happy with utilising this option. Single point deuce can operate throughout the match for all couples, for one or two couples only, and for all, one or two of the rounds. In the case of single point deuce, the receivers can indicate who will receive. Please note on the scoresheet where this mechanism is used.

13. **Matches start at 18.15pm prompt *for knock up*.** Any couple/*player* not on court and ready *to start the match* (with or without a knock up) by 18.30pm will forfeit the first set and at 18:45pm the first round. Similarly, any couple/*player* not available and ready for play within ten minutes of the completion of round one will forfeit their remaining sets.
14. Where a team has to travel more than 15 miles, the away Captain has the right to request a start time of 18.45pm. This request must be made at least 48 hours prior to the match and must be granted.

### **Points & Results:**

15. Teams get two match points for winning and one match point for a draw for the overall match, matches will still be contested over 18 points.

On the score sheet each single set rubber is worth 2 set points, with each set in the two sets rubber being worth 1 set point.

*Singles League scoring is a tie break at 6-6 for first two sets and a Match tie break, to 10 points with 2 clear, for deciding third set. Where playing a two court fixture singles rubbers will be short sets up to 4 games, with 2 clear, with tie break at 4-4 in first two sets and a match tiebreak deciding third set.*

16. The League positions will be determined primarily by points.
- a) Where two or more teams are level on points then the percentage of total sets won over total sets played will

determine which team comes top.

*Singles League team with greater rubber difference will determine which team comes top*

- b) If this is still equal then percentage of games won over games played will count. If this still results in two teams being equal then the matches between the tied teams will become the decider - firstly by points, then sets and finally games.

*Singles League - If 2 are still tied then LTA round robin rule will apply.*

17. In the event of any Club failing to fulfil their obligation to play a match on the set date or one mutually arranged or ordered by the League Secretary and no reasonable explanation is forthcoming then that Club will be judged to have forfeited the match and the points. As a penalty the forfeiting Club will have a point deducted from their total points for each match not played.
18. In the case of conceded matches **both teams** must still process the score sheet in the usual manner or email the notification to the League Secretary. Teams receiving a concession will be credited with the 2 points for winning and with their average sets and games scores which will be calculated at the end of the League.
19. The match score sheet detailing the names of all the players, their BTM numbers, if they have one, and the scores must be signed by both Captains and forwarded by the winning team to the League Secretary. A clear photo or scan of the score sheet is preferable via email or smartphone, but the hard copy in the post is acceptable. Ideally score sheets should be sent for receipt within 48 hours but results still not received within 72 hours may be declared void.

**Missing score sheets will not be chased.**

*The Singles Leagues intends to use League Planner Software which will require Captains to enter results online as well as submitting score sheets. Help will be provided by the League Secretary and guidance will also be available on the Tennis Tayside Website should this be the case. Other leagues may decide to use league planner as a trial. The relevant secretaries will be in contact with team captains should they decide to proceed with this.*

20. Signed score sheets can be photographed/scanned and emailed to the relevant League Secretary or sent by post. *Singles League score sheets SHOULD NOT be sent by post but should ALWAYS be done electronically.*

***Match Nights & Continuations:***

21. Normal and continuations:

**Ladies** matches will be played on a **Monday** evening. If postponed or uncompleted through adverse weather or court conditions, matches will be played or continued on the **Wednesday** of that week.

**Men's** matches will be played on a **Thursday** evening. If postponed or uncompleted through adverse weather or court conditions, matches will be played or continued on the following **Tuesday**.

**Henderson Vase** matches will be played on **Monday** evenings and if postponed or uncompleted will continue on the **Tuesday** evening following.

*If courts are not available for the continuation then it is acceptable for the date to be arranged for a later date provided that that date is within 3 weeks of the original fixture date.*

*Singles League* matches will be played on a **Thursday** evening. If postponed or uncompleted through adverse weather or court conditions they will be played or *continued on the following Tuesday.*

Re-arrangements: Matches should be played on their given nights. If there are clubs without lights or who wish to change the night of a match to a weekend afternoon that would be acceptable. Such a re-arrangement should be mutually agreed between the two captains at a reasonable time before the match is to be played, not the night before the match. Such a re-arranged match can be played on the weekend before or after the date given in the Handbook. ***Re-arranged matches must be played within 3 weeks of the original fixture date.*** The League Secretary does not have to be told in advance, but if there is a disagreement, then will rule in favour of the normal match night.

In all cases if, on continuation, the match is still not completed the Captains should agree mutually on a continuation date and this must be communicated to the League Secretary immediately. However, if the captains cannot agree, the League Secretary will fix a date for the match to be completed.

22. Unfavourable weather and/or unplayable court conditions are deemed as satisfactory reasons for not playing. In case of any doubt, the captain of the home team should contact their opponents as soon as is practicable with details of the conditions and likelihood of play.
23. As an alternative to rearranging, provided that at least two rounds, *or in singles league 4 rubbers*, have been completed and that both the Captains agree, the match result can be decided by completed, divided or conceded sets. (*Please note that these conceded / divided sets will not be included in any countback if there is a draw in points.*) If no agreement is reached, a continuation should be arranged.
24. Continuations:
  - a) No change may be made to the composition of teams after start of play. However, where a match is unfinished and has to be continued on another day, agreed substitutes may replace unavailable players.
  - b) The match will resume at the point of interruption.
25. Any Club intending to concede a match without commencing it, must inform both the Captain of the opposing club and the League Secretary before the time agreed upon for playing.
26. Responsibility for the provision of nets, balls, teas, etc., rests with the host Club. The exception will be if the match is played at a third party Club when it will be the responsibility of the Club on whose ground the match should have been played, or if the venue is reversed by mutual agreement.

*The Singles League will by default employ a rolling tea of snacks and nibbles. Four new balls for each singles match should be used in the singles league.*

27. Any team withdrawing from any League or conceding more than two matches will be relegated down two divisions the following season.
28. The Tennis Tayside Board will have the power to alter or add to the above rules as they may deem appropriate. All questions of eligibility,

qualifications or interpretation of the rules will be referred initially to the League Secretaries and then to the Board, whose decision will be final.

## Junior League Rules

1. The teams shall consist of four players, either boys, girls or mixed, who are **16 & under on 31<sup>st</sup> August 2018** (born 1<sup>st</sup> September 2001 or later).
2. Where a Club enters more than one team it must play the best four available players in the 1<sup>st</sup> team, the next best four in the 2<sup>nd</sup> team and so on for the 3<sup>rds</sup> and 4<sup>ths</sup>. A Club's 1<sup>st</sup> team must be filled before their 2<sup>nd</sup> team i.e. the 1<sup>st</sup> team cannot concede a match on the grounds of not having a team if the Club's 2<sup>nd</sup> team is full. If two matches are scheduled for the same date players cannot play for two teams (i.e. 1<sup>st</sup> and 2<sup>nd</sup> team) - even if one is rescheduled – should a circumstance arise where this might happen then please contact the league secretary before the match.
3. Players eligible to represent a club in the League Competition must be a fully paid up member of such club as defined in their rules. Players may only play for one club in a season in one competition. However, players may play for different clubs in different competitions, e.g. the Senior Leagues, provided they are fully paid up members of each club.
4. Each team **MUST** be accompanied by a responsible adult, aged 17 or over, who is to act as non- playing captain. They must be present for the duration of the match and **both adults must sign the score sheet**. League Points will be deducted for continual disregard of this rule.
5. The standard match time is Saturday at 3pm. Match times can only be altered if both teams are agreeable. It will be necessary to change home match times for some clubs who have entered multiple teams. Requests to change match times should be made no later than Monday of the match week.
6. If a match requires to be rearranged for any reason, it should be played on the earliest mutually agreeable date and in any case must be completed within **two weeks** of the last scheduled match date in the appropriate division. Failure to do so will result in the match being declared void.  
The Junior League Secretary is to be notified immediately if a match is postponed.
7. Each match will consist of four singles rubbers and two doubles rubbers. All singles rubbers are best of three sets - the opening two sets will have a tie-break at 6 games all (first to seven points with two-point margin) and the deciding third set if needed will be a championship match tiebreak

(first to ten points with two-point margin). So, a singles winner is always decided.

All **doubles rubbers** are two set matches – with a tie-break at 6 games all (first to seven points with two-point margin). So, a doubles draw is possible.

8. The HOME team is responsible for providing good quality balls - a minimum of 3 per court - and a decent tea.
9. A team must play in order of merit - i.e. best player at No.1, second best at No. 2 - for the singles. For the Doubles the No.1 player must partner the No. 2 and the No. 3 must partner the No. 4.
10. Playing order at a three court Club:

|         | <u><b>Court 1</b></u> | <u><b>Court 2</b></u> | <u><b>Court 3</b></u> |
|---------|-----------------------|-----------------------|-----------------------|
|         | Singles               | Singles               | Doubles               |
| Round 1 | 1 v 1                 | 2 v 2                 | 3 & 4 v 3 & 4         |
| Round 2 | 3 v 3                 | 4 v 4                 | 1 & 2 v 1 & 2         |

- **The Home Club decides which round is played first**

11. The following **amendments** to the Rules are in force at **two court** Clubs.
  - i) The singles rubbers are to be ONE SET ONLY.
  - ii) Playing order at a 2 Court Club:

|         | <u><b>Court 1</b></u> | <u><b>Court 2</b></u> |
|---------|-----------------------|-----------------------|
| Round 1 | 1 v 1                 | 3 v 3                 |
| Round 2 | 2 v 2                 | 4 v 4                 |
| Round 3 | 1 & 2 v 1 & 2         | 3 & 4 v 3 & 4         |

- **The Home club decides whether Round 1 or Round 2 is played first**
- **The Round 3 doubles rubbers must be played last**

12. The scoring system is as follows:
  - a) Two points are awarded for each rubber won and one point for each rubber drawn, no points for a rubber loss
  - b) The team with the most rubber points wins the match.
  - c) If both teams have the same rubber points (i.e. 6-6) the match is a draw.
  - d) A team will receive 2 league points for a match win.
  - e) A team will receive 1 league point for a match draw.
  - f) A team will receive 0 league points for a match loss
  - g) If a team concedes a match they will be penalised a league point.

13. The final standings in each division shall be determined by the following:
  - (1) The team with the greatest number of league points.
  - (2) If league points are equal, the team with the greatest number of rubber points.
  - (3) If two teams are level on league points and rubber points; their head to head results will be considered.
  - (4) If more than 2 teams are level, the round robin rule in the LTA Tournament Regulations will determine the league standings.
14. Normally, the top two teams in each league will be promoted and the bottom two teams will be relegated for the following season. This may be altered if there is any change in the number of entrants for the following season.
15. Official Tennis Tayside Junior Match Score Sheets can be downloaded from the Tennis Tayside Web site.
16. The non-playing captains of BOTH TEAMS are responsible for completing and signing the score sheet. The WINNING CLUB'S JUNIOR TEAM ORGANISER has then to **submit the results online AND email a clear photo or scan of the score sheet to the Junior League Secretary within 48 hours of the match.** Details of how to enter the results will be available on the League section of Tennis Tayside Web site.

**Results still not received within 72 hours WILL be declared void.**
17. Results must be completed on the official Tennis Tayside Match Score Sheets with all parts fully completed and signed.
18. In the case of conceded matches a team must still process the score sheet in the usual manner. Teams receiving a concession will be credited with a win by six rubbers to zero and receive 2 league points. **Teams conceding a match will be penalised a single league point.**
19. All disputes should be referred to the Junior League Secretary in writing within 72 hours of the disputed event.
