## Central Scotland and Scottish Tennis Holidays Tournament Circuit

This years Tournament circuit will operate much the same as it has in previous years. The mini events in Central Scotland will count as qualifying events for the Central Masters, and the Tayside mini events will count towards the Tayside masters.

The yellow ball matchplay events are open to players aged 11-18, and players will be grouped together with players of similar age/rating. We will try and get players 3 matches where possible.

### Charity

This year Jane and Adam will be encouraging clubs involved in the Tour to raise money for 3 specific charities by selling teas, coffees, cakes etc at their events.

These charities are: The Royal Marsden Cancer Charity - This is the cancer centre treating GB player and doubles partner of Central's own Colin Fleming, Ross Hutchins, who is suffering from Hodgkins Lymphoma. Rachel House Children's Hospice at Kinross. Strathallan School's Kenya projects - 4 projects helping care, educate and make a better life for children and young people in Kenya.

Over the season we hope to make lots of money for the above. If you want to help please speak to Jane or Adam.
